Dear Ms. Wilkens:

This letter is in response to the letter of July 20, 2000 from Mr. John D. Gibson. Enclosed you will find:

1. An amended Form 3X, Report of Receipts and Disbursements, dated 7/25/00.
2. A fully and correctly annotated Schedule B, Page 1 of 1 for Line Number 23, Contributions to Federal Candidates, that reflects the proper memo entry for the redesignation of the disbursement of 30/23/99.
3. A xeroxed copy of the hand delivered letter given to the Pirozzi campaign on October 23, 1999 designating the full use of the contribution of that date.

Hopefully, these pages of documentation would "complete" your original request of June 28, 2000. I apologize for not realizing that disbursements must be clearly designated and accordingly formatted as are contributions received.

I would comment on the tone of this letter of July 20, 2000. I have been reporting for various committees for the last ten years and have never received such a harsh letter in all that time. I have always tried to respond to all inquiries by the FEC within the required period and with full explanation. This letter assumes otherwise.

If you have any questions about the documentation, as always feel free to call me at (909) 948-2446.

Sincerely,

*Ravelle Lyn Greene*
